EDUCATION SERVICE

ESL Educator, public administrator and published researcher of the Social Sciences of Education.

Employer: Bureau of Shanxi Education, People's Republic of China

Job Title: Senior ESL Educator and Adviser

Date: 2013-2018

Duties: Assigned to the public school system as an advisor, researcher, and senior educator engaged in the development of comparative educational approaches drawing upon both Chinese and American pedagogies: i.e., design and implementation of the English curriculum as a Second Language (ESL) taught through grammar and subject content classes; training teachers in test strategies preparing students for the English section of the Sino national college entrance examination; the preparation of exchange students for the American College Testing (ACT) examination, and the Test of English as a Foreign Language (TOEFL) for entrance into US universities. Consultations with administrative personnel on the design and implementation of academic institutional settings fostering personal positive attitudes and behaviors.

Employer: Mantis Institute

Job Title: Publisher

Date: 2006-2017

Duties: Author of social science publications on the institutions of family, religion, economy and the machinery of the state. Publications archived in the Social Psychology collections at the University of Oxford, Bodleian Social Science Library, and the University of Cambridge Library.

Employer: Florida A & M University, Department of Sociology, Psychology & Criminal Justice

Job Title: Adjunct Professor

Date: 2002-2005

Duties: Assigned the responsibility for teaching the foundational core of the sociology curriculum: Introduction to Sociology; Social Problems; Urban Sociology; Demography of Population Comparisons; Social Psychology; Deviant Behavior; and Social Science Research Methods.

Employer: Florida State University, Department of Educational Leadership & Policy Studies

Job Title: Research Assistant & Adjunct Professor

Date: 1997-2006

Duties: Adjunct Professor of Social Sciences of Education: graduate curriculum of Sociology and Culture of Education; author and principle researcher of the first acknowledged sociological-ethnographic doctorate dissertation on abandoned and runaway children living in extreme impoverished environments.

Employer: University of Miami, Miller School of Medicine, Sylvester Cancer Institute

Job Title: Senior Research Associate & Government Liaison

Date: 1998-1999

Duties: Liaison to the Executive Office of the Florida Governor, and the Florida Department of Health, Office of Tobacco Control Program. Consultative and program areas: design and implementation of electronic data collection applications, educational program and health policy analysis and evaluations, and an educator at state sponsored educational youth conferences.

PUBLICATIONS

- *A Sociological and Critical Ethnographic Case Study of a Mexican Street Shelter for Male Youths* (2002). Dissertations Collections, Strozier Research Library, Florida State University.
- *Twisted Society – Engineered Chaos* (AuthorHouse 2010). Volume I: an analysis of the technocratic state and its relationships to civil governance, economic development, societal psychology, and religious conflicts, treated by ethically based unorthodox antidotes. On file in the Social Psychology Collections, the Bodleian Social Science Library, the University of Oxford, and the Cambridge University Library, England; and the Buddhist Bukkyo Dendo Kyokai Library, Tokyo, Japan.
- *The Taboo Dictionary - Forbidden Ground from A to Z* (AuthorHouse 2016). Volume II: a sociological dictionary on identifying the paradoxical problems and the means to solutions for society impacted by the technocratic, surveillance state. On file in the Social Psychology Collections, the Bodleian Social Science Library, the University of Oxford, and the Cambridge University Library, England; and the Buddhist Bukkyo Dendo Kyokai Library, Tokyo, Japan.
- *A Supernatural Philosophy* (AuthorHouse 2018). Volume III: the biographical experiences of the author to Western and Asian societies that shaped his metaphysical philosophy and diagnostic sociology. On file in the Social Psychology Collections, the Bodleian Social Science Library, the University of Oxford,

and the Cambridge University Library, England; and the Buddhist Bukkyo Dendo Kyokai Library, Tokyo, Japan.
